

# RESEARCH NETWORKING

6-9 MAR, VISEU, PORTUGAL

## INTERNATIONAL RESEARCH NETWORKING CONFERENCE FOR HOSPITALITY AND TOURISM

**Deadline: 1st February 2019**

This conference offers all participants the opportunity to embark in an adventure of building knowledge in a stimulating environment. The aim of this conference is to build research networks within a new model, by fostering and supporting research in tourism! This conference intends to set up research teams, and to develop innovative work on the following topics:

Fostering tourism impacts; Luxury tourism; Sharing tourism economy; Social media in tourism; Tourism marketing; Tourism and culture

Authors are invited to present a brief overview of their research questions and methods. Teams will be formed according to their areas and research interests, in order to guarantee complementarity of the expertise of the team members. The teams will develop their pitch with the mentorship of renewed scholars who will contribute to the research proposal.

Teams with the best proposals will be invited to submit their paper to the special issues and books assigned to this conference. All research proposals will be assessed by an evaluation panel composed by editorial members of the journals. This conference format provides an excellent opportunity to:

- Enhance your research and publication skills and capabilities through peer-learning and mentorship;
- Foster new and/or enrich existing collaborations by networking and collaborate with other researchers;
- Potentially achieve a paper publication by sharing work with others;
- Promote your skills and knowledge in the tourism community;
- Develop and enhance your self-confidence and skills in working with others and debating your research work with a panel of experts;
- Meet journal editors and other editorial board members and learn more about the evaluation and review process of manuscripts.
