

**Sedef Akgungor**  
**Professor**

**Dokuz Eylül University**  
**Faculty of Business**  
**Department of Economics**

**EDUCATION**

- 1973 – 1980** American Collegiate Institute (ACI), İzmir, Turkey
- 1980 - 1984** B.A. in Agricultural Economics, Ege University, Faculty of Agriculture, Department of Agricultural Economics, İzmir, Turkey
- 1984 - 1986** M.S. in Agricultural Economics, Ege University, İzmir, Turkey
- 1987-1991** M.A. in Economics, Michigan State University, Department of Economics, East Lansing, Michigan, USA
- 1987-1992** PhD in Agricultural Economics, Michigan State University, Department of Agricultural Economics, East Lansing, Michigan, USA  
Ph.D. Thesis: The Economics of Consumer Response to Health-Risk Information in Food

**ACADEMIC EXPERIENCE:**

**August 2005 – Current**

Professor, Dokuz Eylül University, Faculty of Business, Department of Economics, İzmir, Turkey

**April 2004- August 2005**

Professor, Işık University, Faculty of Economics and Administrative Sciences, Department of Management, İstanbul, Turkey

**February 2001 – March 2004**

Associate Professor, Işık University, Faculty of Economic and Administrative Sciences, Department of Management, İstanbul, Turkey

**January 1997 – January 2001**

Associate Professor, Ege University, Faculty of Economic and Administrative Sciences, Department of Business, İzmir, Turkey

**June 1996 – December 1996**

Assistant Professor, Ege University, Faculty of Economic and Administrative Sciences, Department of Business, İzmir, Turkey

**September 1995 – May 1996**

Research Assistant, Ege University, Faculty of Agriculture, Department of Agricultural Economics, Izmir, Turkey

**August 1994 - August 1995**

Visiting Scholar, Michigan State University, Department of Agricultural Economics, East Lansing, Michigan, USA

**December 1992 – July 1994**

Research Assistant, Ege University, Faculty of Agriculture, Department of Agricultural Economics, Izmir, Turkey

**September 1988 – December 1992**

Research Assistant, Michigan State University, Department of Agricultural Economics, East Lansing, Michigan, USA

**May 1985 – August 1987**

Research Assistant, Ege University, Faculty of Agriculture, Department of Agricultural Economics, Izmir, Turkey

**ADMINISTRATIVE EXPERIENCE****1998 – 2001**

Deputy Dean, Ege University, Faculty of Economic and Administrative Sciences

**2004 – 2005**

Director of Graduate Studies, Işık University, Institute of Social Sciences

**2005 – Current**

Department Chairperson, Dokuz Eylül University, Faculty of Business, Department of Economics

**RESEARCH PROJECTS****January 2008-**

Food Labelling to Advance Better Education for Life (FLABEL). Seventh Framework Programme for Small Collaborative Project Grant Agreement: 211905.

Duty: Project Coordinator (Turkish team)

**June 2007-**

Constructing Regional Advantage: Towards State-of-the-art Regional Innovation System Policies in Europe? (European Science Foundation Collaborative Research Project)

Duty: Collaborative Researcher

**June 2007-**

The European Road and Rail Infrastructure: A Geographical Information System for the History of the European Integration (1825-2010) (European Science Foundation EUROCORES Inventing Europe Research Collaborative Program )

Duty: Project Coordinator (Turkish CRP)

**June 2006 –**

“Consumer Demand for Organic Products in Turkey”

Research Grant from: TÜBİTAK (Funded under COST (European Cooperation in the Field of Scientific and Technical Research) Program within COST Action 924)

Duty: Project Coordinator

**June 2006 –**

“Export Competitiveness of Organic Products in Turkey”

Research Grant from: TÜBİTAK

Duty: Collaborative researcher

**March 2002 – June 2002**

“Poverty and Sustainability” section of the National Report of Turkey for the World Summit on Sustainable Development, Johannesburg

Research Grant from: Turkish Economic and Social Studies Foundation

Duty: Contribution to the chapter with a report on “Agriculture, Environment, Poverty”

**January 1999-December 1999**

Sustainable Competitiveness of the Turkish Fruit and Vegetable Industry ,

Research grant from: Agricultural Economics Research Institute (AERI), Ankara, Turkey (financed by the World Bank)

Duties: Project Administrator

**January 1998 – May 1998**

Learning Based Regional Development Strategy: The Case of İzmir Manufacturing Industry

Research grant from: İzmir Chamber of Commerce

Duties: Collaborative researcher

**January 1998 – May 1998**

Kemeraltı as a Trade Center: Status and Problems within the Economic Structure

Research grant from: İzmir Chamber of Commerce

Duties: Project Administrator

**January 1998 - December1998**

Potential demand for Ecologically Produced Foods in İstanbul, Ankara and İzmir

Research grant from: Agricultural Economics Research Institute (AERI), Ankara, Turkey (financed by the World Bank)

Duties: Project Administrator

**January 1997 - Januray 1999**

Marble Industry in the Ege Region in the Context of Integration with the European Union

Research grant from: State Planning Organisation of Turkey

Duties: Collaborative researcher

**1988 - 1992**

Research and Demonstration on Improved Methods for Estimating Consumers’ Willingness to Pay for Reduced Risks From Pesticide Residues in Food

Research grant from: U.S. Environmental Protection Agency, U.S. Department of Agriculture

Duties: Research Assistant responsible for administrating the field research (under the supervision of Professor Eileen van Ravenswaay and John Hoehn, Michigan State University, Department of Agricultural Economics)

**November 1993 - April 1995**

The Economics of Pesticide Use in Ege Region

Research grant from: Ege University Rectorate

Duties: Project administrator

**CONSULTANCY WORKS AND OTHER PROFESSIONAL ACTIVITIES**

- Member of the Committee on “Regional Development and Adjustment to the European Union” (State Planning Organization, Preparatory activities for the 9<sup>th</sup> Development Plan) (August 2005 – Current)
  
- Consultancy work for Foundation for the Advancement of Ege Region (1998- 1999) on;
  - ◆ Framework for a Computerised Data Base of Ege Region Cities (with Neşe Kumral, R. Funda Barbaros, Ege University)
  - ◆ Framework for a Strategic and Economic Development Plan for the Ege Region (with Neşe Kumral, R. Funda Barbaros, Ege University)
  - ◆ Framework for a Computerized Data Base of Ege Region Cities (with Neşe Kumral, R. Funda Barbaros, Ege University)
  
- Seminars on Marketing Research, Marketing Management and Microeconomic Analysis for the Executive Training programs at the Izmir Chamber of Commerce Education Unit and a private consulting and training firm in Izmir (1998-2001)

**AWARDS**

1. Academy of Marketing Science Multinational Marketing Congress, Valencia, 2002. Best Paper Award (Cultural Aspects of Business-to-BusinessTrack)
  
2. Ege Science and Technology Center (Ege University) Project Award (first rank) for the project titled “Sustainable Competitiveness of the Turkish Fruit and Vegetable Processing Industry in the European Union Market” (2000)
  
3. Ege Science and Technology Center (Ege University) Project Award (first rank) for the project titled “Flexible Production Potential of Izmir Manufacturing Industry: Learning Based Regional Development” (1999)
  
4. Ege Science and Technology Center (Ege University) Project Award (second rank) for the project titled “Potential Demand for Reduced Pesticides in Food” (1999)
